### President's Letter...Audrey Borja

Oh my, as I write this letter we are on our way to Spring! So, I think we will all agree that we have had a mild winter and the weather did not affect our dance nights and our chances for all of us to be together. We are grateful! I trust you all are well and getting ready for shorts, short sleeves and of course beaches. Spring SOS is coming up in April and we all have our SOS cards so we can get into the beach clubs and hear the bands and DJs and dance, dance, dance!

What a great way to relieve all stress and worries. I will look forward to seeing you all in N. Myrtle Beach for sure~~

Our BBC has had a little turn of events in going out to a local Brewery: Highmark Brewery in Fredericksburg. They have been very welcoming to us and we will plan to go there as much as we can since they have most evenings full with other activities. At least the setting is a good fit for us on occasion. The Moose Lodge is still our homebase. We have managed to keep many of our BBC membership, but we are still restricted in encouraging new members since folks must actually join the Moose Lodge in order to come to the Moose Lodge regularly as with our dance nights. That is ok, we remain grateful to the Moose Lodge to have a place to dance and at the same time, we are reaching out for alternatives. I believe in the Spring and Summer we will find other venues that will meet our needs and I believe together we will meet that challenge. Thanks everyone!

For our Valentine celebration, we had a really fun night.

Mitch, one of our regular members, planned some games, decorated our dance room, and even brought heart candies.

Also, Don, our Newsletter Chairman, put together a beautifully wrapped, ribbon-embraced and big -bow package called "Red

Neck Dinner prize for two." We raffled the stunning gift package and the winner got to stand in front of the room and open the big package to include several sub-gifts. Of course, each gift within the package was 'wowed' and 'awed' by everyone to include: a small candle for the table for two; a can of Vienna sausage; a can of sardines; ; and a bottle of Boone wine. The entire display was a riot and everyone so enjoyed the laughter. — What a budget-oriented and playful dinner for two!

As far as our BBC, we are in

As far as our BBC, we are in good standing. We can take care of our expenses, but we are so determined somehow to increase our membership numbers. In the midst of our club's activities and dance nights, however, we have concern for our Vice President and Acting Treasurer, Darlene Weaver. As I write this letter, Darlene is not well. She has been sick for several weeks with various difficulty which has now developed into pneumonia in both of her lungs and breathing issues. For those that do not know, Darlene is a long time BBC member, a mainstay in our BBC; and a dear and lasting friend. May we all pray for Darlene for improved health and for full recovery.

The BBC is so thankful for the folks that show up for our dances on a regular basis. They have a good time and continue their loyalty. We keep in touch with each other and continue to find other places to dance so we can grow our membership. It is not easy, but we are determined. So, stay tuned and keep your eyes open for new venues. We can do this....come on Fredericksburg work with us

In closing, embrace your strength as you can and come out and dance with us. Team BBC rocks! Be with us and share your talents and your smiles. We like to spread good medicine!

Let the good times roll! 😊

*In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.*

# THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

## the Basics

Courtesy of GoShagging.com and Mike Rink

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the <b>LEFT</b> foot forward.	Count: <b>ONE</b>	
On the "AND" count, move the <b>RIGHT</b> foot forward.	Count: <b>AND</b>	
On the "TWO" count, move the <b>LEFT</b> foot back.	Count: <b>TWO</b>	
On the "THREE" count, move the <b>RIGHT</b> foot all the way back and behind your left foot.	Count: <b>THREE</b>	
The "AND" count is a weight shift to the <b>LEFT</b> foot.	Count: <b>AND</b>	
The "FOUR" count is a weight shift to the <b>RIGHT</b> foot.	Count: <b>FOUR</b>	
The "FIVE" count is a step back with the <b>LEFT</b> foot.	Count: <b>FIVE</b>	
The "SIX" count is a step up with the <b>RIGHT</b> foot.	Count: <b>SIX</b>
