President's Letter...Audrey Borja

As I write this letter for September and October, I get a bit sentimental as I think about seasonal changes and the delights and the beauties that they bring. We are all on fast gear in the summer with our various activities and going from place to place. What fun we have had! Our dancing and music opportunities have given us new adventures. Even the summer months and weather are coming to an end, we have so much to look forward to with cooler days and maybe a bit more time at home to enjoy our blessings. So, let's see what we have all been doing.

The highlight of our BBC fun was our Annual Party on August 16 at the Lake of the Woods Clubhouse. Our "Beach Lake Boogie" gala was once again a successful time with new and old friends with dinner, music and dancing. Plus, after paying our bills, we gave a generous donation to the St. Jude's Children Hospital. I have written a short article in this newsletter to share some of the details of the party and to let you know that if you were not there, maybe

you will plan to come next year about the same time in August. Everyone can use a dose of good medicine!

Other happenings in our past few weeks included trying out a new venue to dance. In July, we were fortunate to dance at The Pub in Fredericksburg, Va. The pub setting brought out a casual Sunday afternoon of trying their award winning burgers, moving some tables to open up a space on the floor to dance, and along with our regular BBC members, meeting lots of new folks that were enjoying our music and dancing. We are encouraged that we will attract new interest in our BBC and above all, spreading friendship building that our BBC offers. Stay tuned on this new venue because we are hoping that it will be a regular base for us.

In the other alternate weeks of dance, we are still frequenting the Highmark Brewery and the Moose Lodge.

mark and the Moose Lodge which is currently still our home base. All in all, we are spreading out and bringing dancing and music to our members. Yay!

There are some fun events coming up in and around the 'burg in the next couple of months. Please note the 'What's Up' column in this newsletter to see know at this writing. There is no reason that you have to be bored, that is for sure.

So, may we think of some of our BBC folks that have recently been under the weather. Not mentioning names, but just know that we are not all 100% for various reasons. A moment of appreciation for each other is always a good thing. So, I am going to close with the thought to embrace your strength and dance when you can. Bring in new folks to join us, no matter what dance that they currently do. We are a dance circuit and our shag passion fits in with all dancing.

Let the Good Times Roll!

BEACH LAKE BOOGIE

Battlefield Boogie Club

What A Party!!!

We Had Last Night...

BEACH LAKE BOOGIE ROCKED!

What a time we had at our BBC Annual Party the “Beach Lake Boogie” on August 16 at the Lake of the Woods Clubhouse. After having the party at the Clubhouse for several years, this party was all that we hoped it would be. The attendance including our Northern Va. Shag club friends, was just the right size of gathering to make it almost personal. The BBC team hospitality was shining throughout the evening from the registration desk to rolling the wagon of cheer around the room. The food was good, the music got us on the dance floor, and the dancing was full of spirit. Thank you to our DJ, Jerry Hardy who played music that got us on the dance floor and Jerry even got on the floor with us a few times as he participated in the fun. The Clubhouse staff were exceptional and even enjoyed the music and the overall light hearted evening. We really do bring a lot of zest to the Clubhouse each year. – So after we paid our bills, we are proud to share that we made our donation to the St. Jude’s Children Hospital. Thank you to everyone that made that possible. And we, thank everyone for coming to our event and for part of another successful gathering! Yes, We Rock!
