CREATE DANCE HISTORY — CREATE A MEMORY

Fredericksburg, Virginia Vol. XI No. 6 November/December 2026

President's Letter...Audrey Borja

'tis the season' is arriving for your pleasures. We have had a low- key Fall and are ready to get busy with the holiday season. It comes fast….where does the time go….. Looking back a few weeks In the late summer, a bunch of BBC'ers went to a local winery to hear a Blues guitarist and singer. It was a beautiful afternoon and we met some music and dance enthusiasts that shared the afternoon with us. What a delight it was to make new friends and enjoy the music and dancing. It was a nice change for us from our regular venues and environment. The facility was well appointed with lots of seating with their different themes… The owners did an exceptional job creating their own welcoming ambience. We will plan to go back when they feature new artists. Another fun outing that we all enjoyed was a Sunday social that two of our BBC members sponsored at a local dance studio. They invited a variety of dancers that brought their own style of dance to fill the very large dance floor. We had dances represented from around the world. Our shag and swing dances were not shy showing off their footwork. All together it showed off folks from around a 50-mile radius tthey enjoued bringing their love of dance to the afternoon. The social was a huge success and hats off to Mitch and Kim for the idea and for the sponsorship.

Over several weeks this past quarter,the BBC has been dancing at a new popular venue, a local bar and grill called the Stockyards. The owners have agreed to let us dance there for a while to see how it goes. So far, we have had a fair turnout and we believe the management is pleased. We will see how it goes over time. The Stockyards is a spacious venue with high ceilings and lots of seating available. The dance floor is perfect for our fancy footwork.The acoustics are good and it has a good vibe. Time will tell as to how long we will dance there.. The Moose Lodge is still our BBC homebase and we are maintaining the Moose relationship to dance there once each month with our DJ, Dicky Estes. Thank you Dicky for sticking with us..

Please take a look at the flyer at tthe end of our Newsletter from the Va. Beach Shag Club who is having a New Year's party sure to be a good time. You might want to consider signing up for the 2-day party to bring in the new year. So, in closing this letter, please be safe in your travels, enjoy the holiday season. Dance when you can and join us at one of our venues over the holidays. We have lots of spirit to share!.

- Let the good times roll!
